Headteacher : Jennie Giovanelli

Dear,

During the May school holidays we will be holding a variety of revision and coursework sessions for Key Stage 4 and 5 subjects. As we have already begun the exams, this will enable students to complete vital coursework tasks and valuable revision with a subject specialist at this crucial time of year.

I understand that it can be difficult to manage multiple subjects at this time of year, but it is important that your child prioritises carefully and works hard and takes advantage of the revision sessions available to them.

Please see the timetable of the scheduled sessions on the reverse and ask your child to express their interest in attending with their teacher.

Yours sincerely,

Rhiannon Gant
Deputy Headteacher
